- 5,6,7/11/10 VALENCIA (with the Worldchampionship)

On Saturday there are 1 free practice and two timing official practices. The races take part on Sunday. In 2010 the races will be held in two rounds.

4.- COSTS

4.1.- Incriptions:

PRE-GP class: 10000€

EVO class: 11000€

It includes: bike´s maintenance throughout the whole championship, a mechanical for the practice and race days, tyres, gasoline, engine spare parts, helmet, suit, boots, gloves, inscription and insurance.

It´s not included the damages due to rider´s crashes. Neither the license (it must be the european one (UEM)).

If the rider has bought his own MIR bike and he takes part in the championship with it, the cost will be 4.000€ if you come with your own mechanics. It includes the tyres, gasoline, engine spare parts, motorcycle´s fibers with our colours, helmet, suit, boots, gloves, inscription and insurance. It´s not included the damages due to rider´s crashes. Neither the license.

5.- MOTORCYCLES FOR SALE

If the rider wants to take part in another championship (for example, Motodes or your own championship), we can sell new bikes at the next prices:

PRE-GP 125 cc: 8000€

EVO 125 c.c: 9000€

In this case, we can provide the spare parts you need. You can have a look to the prices in our web site www.mirracing.es
