4.- COSTS

4.1.- Inscriptions:

MiniGP4T: 4000€. It includes the bike.

Minimotos: 2500€. It doesn't include the bike.

It includes:

- Minimoto: bike's maintenance throughout the whole championship, tyres, gasoline, engine spare parts, helmet, suit, boots, gloves, inscription and insurance. It's not included the license (it must be the european one (UEM)).
- MiniGP 4T: It is included the tyres, gasoline, engine spare parts (only the engines that are supplied by the organization), helmet, suit, boots, gloves, inscription and insurance. It's not included the license (it must be the european one (UEM)).
 - o Each rider has bought his own bike within the inscription. The first 4 free practices each rider takes part with his own bike and engine. Before the last free practice on Saturday the organization provides all the riders with engines that will be drawn. Each rider has to install it in his own frame and has to take part in 5th free practice on Saturday and in the timing practices and races on Sunday. After the two rounds of the races, the rider has to return back the engine to the organization .

In the case of MiniGP 4T, we can provide the spare parts you need. You can have a look to the prices in our web site www.mirracing.es
